Lovely 4-star city hotel in the heartland of Mallorca

In the midst of the historic old town of a very popular village located in the heartland of this beautiful island, you will find the hotel. It stands on a 1,000 m² plot. The former, old town house was converted in 2007 into a 4-star hotel. It has been tastefully updated by using only high-quality materials. It has a living area of 1,000 m² including 9 double rooms and 2 suites. The interior of the hotel is a successful symbiosis between modern furniture and antique decoration. Entering the hotel on the ground floor there is the lobby with reception, a restaurant with open fireplace, a small professional kitchen with cold rooms and a fireplace lounge. The hotel boasts a lovely Mediterranean patio with swimming pool and barbecue area creating a typical Mallorcan ambience. Going upstairs you will find the 9 double rooms and 2 suites (all with air-conditioning), which could also be reached by elevator. The hotel is in excellent condition and has no backlog in repairs.

No commission for the buyer.
