Minimalist townhouse with sensational views over the harbour and the sea in Port d'Andratx

This luxurious villa was built in 1967 in modern architecture and was completely core renovated in 2009 and now presents itself as an elegant white cube of 300 square meters, which was built on three pillars directly to a mountain. The modern Bauhaus style is an absolute eye-catcher in the noble harbour of Port d'Andratx.

The four living levels have been stylishly arranged in extravagant design by using high-class materials and selecting high quality furniture. A panoramic elevator brings you to every level of the house. The villa disposes of 4 bedrooms and 3 modern bathrooms and is equipped with exclusive home and entertainment technology. All rooms of the house lead to the free terraces and balconies where you can enjoy the pool area high above the rooftops of Port d'Andratx and spectacular views to the sea and harbour.

No commission for the buyer.
