Large finca property in an elevated location in the Tramuntana Mountains for sale

Only 1 km from a romantic mountain village and only 20 minutes from Palma, this imposing property from 1920 is located in an elevated position on a 36 hectare property. This very well-kept property is accessible via a private driveway and consists of several buildings. The living space is distributed over a total of 21 bedrooms, 19 bathrooms and several living rooms. A highlight of the property is certainly the great courtyard with a water fountain. The well-kept Mediterranean garden and the lagoon pool invite you to relax. What is important in such a property is the private water supply for the house and garden, which is available here with 3 water wells. A house chapel and staff rooms for employees complete the offer.
